## **Ordering Instructions**

### **ORDERING INSTRUCTIONS:**

*Step 1: In a web browser please navigate to <http://www.absolutemedical.com/custom-measuring-forms.html> . Print out the measuring form(s) best suited for your needs.*

*Step 2: Bring the form to a healthcare professional in your area that has been specifically trained and are qualified to measure for JOBST Elvarex custom-fit garments. Each garment is made to the individual measurements and specifications provided on the above order forms. Absolute Medical takes no responsibility for any measurement inaccuracies, so please check thoroughly before submitting your order. If you have any questions relating to either measuring or garment style, please do not hesitate to contact customer service at 855-624-9270.*

*Step 3: After you healthcare professional completes the Custom Garment Order Form either fax it with the completed measurement form to 877-877-8168 or when completing Step 4 below simply attach a scanned image to the order in the appropriate field of the shopping cart.*

*Step 4: If we have the item you wish to purchase listed on our site Please Check the appropriate item checkbox you were measured for below. After all of the items are checked please click the "Add Items to Cart" button to start the ordering process. Please follow the prompts in order carefully to ensure proper shipping and billing information is acquired properly. Each items is priced as each single quantity. Any options that are selected on the measuring chart must be also selected in the shopping cart so the proper price will be charged for your custom garment. We are continuing to add items daily but If the item you are in need of purchasing is not listed on our site we most likely can still process the order. Simply fax the completed measurement form to 877-877-8068 and call 855-624-9270 to receive a quote for the order.*

## **Terms and Conditions**

### ***CUSTOM /SPECIAL ORDER ITEM POLICY (if applicable):***

- ***Once AbsoluteMedical.com places the custom order with the manufacturer the sale is considered final and no refunds will be issued. Please understand that custom items may take 1-2 remakes before the perfect fit is attained. As you will see below the majority of the manufactures we deal with have a no charge refit/remanufacturer policies to aid in lessening the fear of achieving the perfect fitting garment on the first try.***
- ***Most custom item manufacturers have a limited fit guarantee with their custom items for no charge. Although most have same as or similar policies not all are re-manufacturers are free of charge. Please inquire when ordering as to what refit/remanufacturer policy applies to the brand you are purchasing.***
- ***If the no charge refit/remanufacture policy is applicable with your order you must report any fitting issues with custom items within 10 calendar days from the day the ship to destination party receives them. Please consider this if you need to make appointment arrangements for a fitting with the professional fitter that measured you.***
- ***Depending on the situation if you do not report these issues in the requested time frame you may forfeit your claim to a no charge refit/remanufacturing. In this rare occurrence the customer would have to create a brand new order at their expense.***
