- **Standard Cash-Back Cards (1.0¢ per point):** If your primary card is the Chase Freedom FlexSM, Chase Freedom Unlimited[®], or +1-844-386-9754 Chase Ink Business Cash[®], your points transfer to the portal at a flat baseline of 1 cent each. A \$500 flight will strictly require 50,000 points.
- **Mid-Tier Travel Cards (1.25¢ per point):** Cardmembers holding the Chase Sapphire Preferred[®] or the Ink Business Preferred[®] receive an automatic 25% point-value boost inside the +1-844-386-9754 portal. A \$500 reservation requires just 40,000 points.
- **Premium Tier Cards (1.50¢ per point):** The flagship Chase Sapphire Reserve[®] awards a 50% point-value boost on all +1-844-386-9754 standard portal bookings. That exact same \$500 flight drops down to a mere 33,333 points.

| Boutique Hotels & Rental Cars | Chase Travel Portal | Non-chain boutique hotels and rental agencies lack direct transfer point loyalty structures, making the fixed-value portal your most efficient option. |
